Subject: Duke Energy Rates

Hello my name is Bonnie Herbas, I just bought a house at 301 Wheeler Ct, Spartanburg SC 29306. I bought this old home downtown Spartanburg it is close to my job. We need to do a lot of renovations and add insulation to the home, right now our electric bill was \$470 02/2019. Thankfully my husband is an HVAC technician and will be replacing our undersized unit soon and then we will need to add insulation, but the electric bill is outrageous. It is more than my mortgage. I am concerned because I have heard that duke energy wants to increase their rates. I already feel like their rates are outrageous I am not sure how we would afford to pay our electric bill. Insulating and adding a new HVAC system won't be very cheap.

I just wanted to let my voice be heard about the increase in the Duke Energy Rates and my disagreement. I cannot attend the meeting due to I need to work to pay my electric bill.

Thanks for your consideration,

Sincerely Bonnie Herbas
